Real Client Success Stories

Scott's Neck Surgery

"When I hurt my neck, I reached out to MightyWELL. They helped me pick the right surgeon and the best treatment for me. All I had to pay was my initial \$1,500, and MightyWELL handled the rest. My surgery was originally going to cost \$90,000, but MightyWELL worked their magic and got the price down to just \$29,600! They paid for everything within 30 days, and there were no surprise bills. I'm so grateful for my MightyWELL plan!"

Katie's Maternity Journey

"Having my second baby with MightyWELL Healthshare was such a relief! I knew my total cost for all my maternity care would only be \$1,500. MightyWELL guided me through every step and even paid for all my care upfront! With my first child, I had a huge bill because my out-of-pocket costs reset at the end of the year. I'm so glad we found MightyWELL Health; it made such a difference!"

Phil Brannen Ford of Perry

"MightyWELL helped us create a health plan specifically designed for each of our employees. It's been incredibly affordable and clear about what's covered, allowing us to protect more of our team members. Since switching to MightyWELL, our company has saved over \$180,000 on what we pay each month for health coverage! This new plan has truly improved our employee benefits!" - Owner, Phil Brannen

These stories show how MightyWELL makes healthcare easier and more affordable, giving real peace of mind to individuals, families, and businesses just like yours.
